

# MONIKER

The use of Length of Service Hash Marks on 2<sup>nd</sup> Thief Colors of an active member of the Ministry is effective as of 23 March 2017.

Center mass of Hash Mark is here:

Center of mass of hash mark should align with bottom point of shield. This correctly centers the entire size of the 1<sup>st</sup> Hash Mark which is a reference point for all future added hash marks.

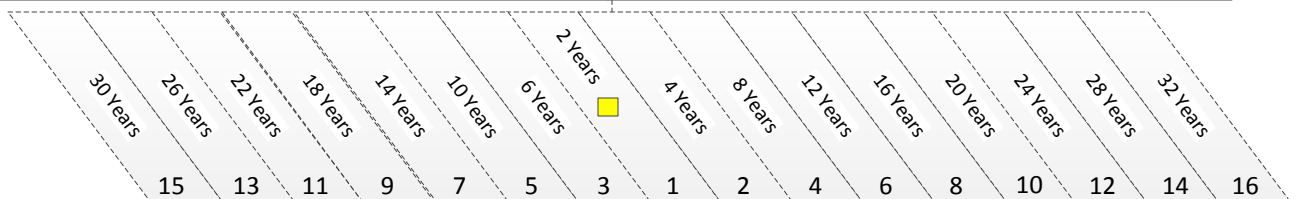

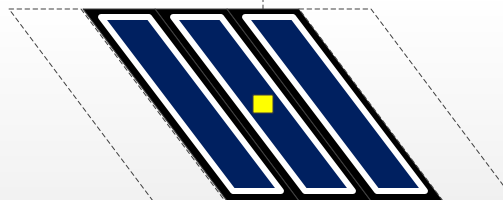

2 Years Designated for each Hash Mark Emblem

Bottom edge of Hash Mark Emblem should be 1/2 Inch from bottom edge of garment

Example: For 4 Years use two Hash Mark Emblems

Example: For 6 Years of service use three Hash Mark Emblems

Bottom Number is the Length of Service hash mark emblem placement precedence.

- No other patches of emblems are allowed on back of Colors without specific permission.
- Emblems are black and blue to lessen visibility much like monikers which are also dark blue.
- Time begins on the date of Member receiving their 2<sup>nd</sup> Thief Colors.
- Time beyond 33 Years is not counted.
